

# JULLIAN Jean-Christophe

## Publications

- Synthesis of C1-C6 fragment og caribenolide I.  
M. Seck, B. Seon-Meniel, J.-C. Jullian, X. Franck, R. Hocquemiller, B. Figadère  
*Letters in Organic Chemistry* **2006**, 3(5), 390-395.
- Self-associative properties of quinoline deriuatives in solution.  
S. Latypov, M.-A. Fakhfakh, J.-C. Jullian, X. Franck, R. Hocquemiller, B. Figadere  
*Bull. Chem. Soc. Jpn.* **2005**, 78, 1296-1301.
- Acaricidal Activity of Tonka Bean Extracts. Synthesis and Structure-Activity Relationships of Bioactive Derivatives.  
Christophe Gleye, Guy Lewin, Alain Laurens, Jean-Christophe Jullian, Philippe Loiseau, Christian Bories, Reynald Hocquemiller  
*J. Nat. Prod.* **2003**, 66, 690-692.
- NMR Determination of Absolute Configuration of  $\alpha$ -Acyloxyketones.  
J.-C. Jullian, X. Franck, S. Latypov, R. Hocquemiller, B. Figadère  
*Tetrahedron Asymmetry* **2003**, 14, 963-966.
- NMR Determination of Absolute Configuration of Butenolides of Annonaceous Type.  
Shamil Latypov, Xavier Franck, Jean-Christophe Jullian, Reynald Hocquemiller, and Bruno Figadère  
*Chem. Eur. J.* **2002**, 8, 5662-5666.
- Synthesis and structure determination of *iso*-cladospolide B.  
X. Franck, M.E. Vaz-Araujo, J.C. Jullian, R. Hocquemiller, B. Figadère  
*Tetrahedron Lett.* **2001**, 42, 2801-2803.
- Ligand effects on the catalytic asymmetric autoinductive aldol reaction of 2-TMSOF (2-trimethylsilyloxyfuran) with aldehydes.  
M. Szlosek, J.-C. Jullian, R. Hocquemiller et B. Figadère  
*Heterocycles* **2000**, 52, 1005-1013.

## Communications

- Determination de la configuration absolue de lactones et d' $\alpha$ -acyloxycétones par RMN-1H.  
Jean-Christophe Jullian, Shamil Latypov, Xavier Franck, Reynald Hocquemiller, Bruno Figadère,  
**31 janvier 2003**, 10ème Journée Jeunes Chercheurs de la Société de Chimie Thérapeutique, Paris.
- NMR determination of absolute configuration of butenolides.  
Shamil Latypov, Jean-Christophe Jullian, Xavier Franck, Reynald Hocquemiller, Bruno Figadère,  
**29 septembre - 2 Oct**, 16ème Franco-Japanese Symposium, Nîmes, France.
